The annual 5K run/ 1 mile walk were created by America’s 911 Foundation to sustain awareness of the events on September 11, 2001. Over 2,996 individuals and first responders perished. For those that are too young to remember these tragedies, this 5K run/1 mile walk emphasizes the importance of the First Responders in our everyday lives. First responders will be at the race to showcase ambulances, fire trucks, and other first response vehicles. Fire fighters from local fire companies will be competing in a half mile relay run to win donations for their companies.

There will also be a raffle available to all runners and first responders--each participant receives one raffle ticket and more may be purchased. Raffle money goes towards first responders. Each runner or walker will receive a peel off name tag of an individual that perished on 911 to **wear as a representation of that person**, so they will not be forgotten. The name tag will be **placed on each runner or walker’s shirt** over the heart area.
